

## LogicMachine Certification Training 1-2.03.2017, Bogota, Colombia

LogicMachine  
ACADEMY

The banner features a background image of a modern office interior with a large window. Overlaid on the image are several elements: a computer monitor displaying a control interface with a temperature of 20°C, a tablet showing a similar interface, and a LogicMachine hardware device. The text 'Certificación LOGIC MACHINE' is prominently displayed in the center. Below the title, there is a descriptive paragraph and a bulleted list of topics. At the bottom, the location and dates are specified, along with contact information and logos for Embedded Systems and Palomino Training Center.

### Certificación LOGIC MACHINE

Podrás conocer al único concentrador inteligente para todos los dispositivos conectados y sistemas Multiprotocolo, que integran un espacio.

- Funcionamiento del dispositivo.
- Desarrollo de soluciones de visualización para pc y dispositivos móviles.
- Manejo de protocolos entre otros.

## BOGOTÁ. 1 y 2 de Marzo. 8am - 6pm
